

## Future of E 38<sup>th</sup> Street Forum

March 2015

Sabathani is attempting to add senior housing behind the current Sabathani Community Center and is taking next steps to look for funding and financing. Sabathani's next step, within the next six months, is to reach out to the community through focus groups to get input for the proposed senior housing project.

Sabathani's vision is to provide a great place for seniors to so they don't have to leave the community, where many of them have lived for most or all of their lives. Sabathani's plan for senior housing would not eliminate the community garden that is currently behind Sabathani.

## Join the Discussion – Participate in a Focus Group or Informational Session

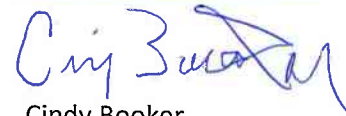

August 2015

We are excited to share the news that Sabathani Community Center will begin the development phases to build A Senior Housing Development on our back lot next to the Community Garden. The goal of the initiative is to provide options for individuals to stay in their community when looking for senior housing.

We plan to schedule Focus Groups and Informational Sessions regarding the development during the fall of 2015.

If you would like for us to contact you once the dates have been finalized, please contact Nathan Rouse at 612-821-2316 or by email [NKRouse@sabathani.org](mailto:NKRouse@sabathani.org).
