

Supervised Visitation Program

Sabathani Community Center
The Heart of South Minneapolis

Parenting Time in the Heart of South Minneapolis

Sabathani Community Center provides a safe, neutral space for families to maintain or rebuild parent-child relationships through supervised visitation services. Visits take place in a comfortable, home-like setting designed to support positive interactions.

Our trained staff monitor visits, enforce guidelines, and document interactions, ensuring a supportive and conflict-free environment. Services are available to families referred by Hennepin County.

Why Choose Sabathani?

- **Safe and Comfortable Environment:** A welcoming, home-like space where children feel secure and at ease.
- **Trained Professionals:** Staff maintain a neutral role, providing detailed documentation and adherence to court-ordered guidelines.
- **Stress-Free Process:** We handle all scheduling and arrangements, eliminating the need for direct contact between parents.
